

## JOH310 JOHN DEERE UNISEX ANORAK

Built for everyday uniform use across dealership, yard and field environments, the John Deere Softshell Jacket provides reliable protection against wind and light rain while maintaining breathability and comfort. Designed as a versatile outer layer, it balances weather resistance with ease of movement, making it suitable for year-round wear.

Constructed from 320 full-dull polyester with a water-repellent finish and waterproof breathable PU coating, the jacket helps shield against changing outdoor conditions. A self-coloured anti-pill polar fleece lining delivers warmth and comfort, while the full front zip with external storm flap enhances weather protection. Practical features including zippered pockets, adjustable cuffs and drawcord hem support everyday functionality. A hidden tuck-away hood provides additional coverage when needed, and the branding access pocket ensures clean embroidery application for uniform programs.

With its durable construction and functional design, this unisex jacket is a dependable outerwear option for John Deere teams requiring consistent performance across work environments.
