

JOH916 JOHN DEERE HI-VIS 4-IN-1 JACKET

One System. All Conditions.

Designed for teams working across changing environments, this 4-in-1 jacket delivers a complete outerwear solution for year-round use. From cold mornings in the yard to wet, unpredictable conditions on-site, it adapts to the job—keeping your team protected, visible, and presentable at all times.

With a waterproof outer shell and a removable fleece-lined vest, it can be worn multiple ways to suit the conditions. This flexibility makes it a smart, cost-effective uniform choice, reducing the need for multiple garments while ensuring consistent performance across roles.

This isn't just a jacket - it's a modular workwear system built for real-world use.

Features:

- John Deere logo embroidery on front
- Official certificate of authenticity hang tag
- Waterproof and fully seam sealed for wet weather protection
- 10,000mm waterproof rating for high-level rain resistance
- Breathability rating 2,000mm for comfort during active use
- Removable reversible fleece vest – can be worn separately or zipped into jacket
- Quilted fleece lining for warmth in cold conditions
- Concealed hood with clear side panels for improved visibility
- Multiple pockets including mobile phone pocket and ID holder
- Adjustable cuffs and storm flap with chin guard for added protection
- HI VISIBILITY DAY NIGHT - 4602.1:2011 High-Visibility Safety Garment Construction Class D/N
- UPF 50+ protection for outdoor work
- Easy-care fabric suited to daily wear and washing

Decoration:

John Deere Contemporary logo embroidered.
