

## JOH918 JOHN DEERE HI-VIS QUILTED FLYING JACKET

Built for Harsh Conditions. Ready for Work.

Designed for teams working in exposed environments, this hi-vis jacket delivers maximum protection, warmth, and visibility without compromising on comfort. Ideal for dealership yards, service teams, and on-site operations, it's a dependable outer layer built to handle demanding conditions.

With a waterproof outer shell and insulated quilted lining, it keeps your team protected from the elements while maintaining a professional, uniform appearance. Practical features and durable construction make it a reliable choice for daily wear across operational roles.

This is a true workwear essential—tough, functional, and made to perform when it matters most.
