

JOH920 JOHN DEERE HI-VIS WATERPROOF REVERSIBLE VEST

Versatile. Practical. Built for the Job.

A flexible layering solution designed for teams working across changing conditions, this reversible vest delivers lightweight warmth, weather protection, and everyday practicality.

With a waterproof outer and a warm fleece reverse, it offers two wearing options in one—making it ideal for dealership yards, workshops, and on-site environments. Easy to layer over polos or shirts, it provides comfort without restricting movement, ensuring your team stays productive and presentable throughout the day.

This is a smart, no-fuss addition to any uniform—adaptable, durable, and ready for daily use.

Features:

- John Deere logo embroidery on front
- Official certificate of authenticity hang tag
- Waterproof and seam sealed outer for protection in wet conditions
- Waterproof rating: 3,000mm for reliable weather resistance
- Reversible design with warm polar fleece lining
- Can be zipped into compatible jackets for a layered system approach
- Two waist pockets on both sides for practicality and storage
- 100% polyester tricot construction for durability
- HI VISIBILITY DAY NIGHT - 4602.1:2011 High-Visibility Safety Garment Construction Class D/N
- UPF 50+ protection for outdoor work

Decoration:

John Deere Contemporary logo embroidered.
