

JOH922 JOHN DEERE HI-VIS SHERPA FLEECE

Warm. Durable. Made for Everyday Wear.

A cold-weather essential designed to keep your team warm without compromising on movement or presentation. This sherpa fleece delivers serious insulation with a modern, work-ready look, making it ideal for dealership environments, workshops, and everyday wear.

With its textured outer and bonded fleece lining, it provides warmth you can rely on through cooler conditions, while the full-zip design allows for easy layering throughout the day. Built for comfort and durability, it's a piece your team will reach for again and again.

This is more than just workwear—it's a wearable, everyday layer that fits seamlessly across work and lifestyle.

Features:

- John Deere logo embroidery on front
- Official certificate of authenticity hang tag
- 100% polyester sherpa outer with bonded fleece lining – heavyweight 530 GSM for superior warmth
- Warm textured sherpa outer fabric for a modern workwear look
- Super warm bonded fleece lining for insulation in cold conditions
- Full front zip for easy layering and temperature control
- Chest pocket with zip closure for secure storage
- Two front hip pockets with zip closure for practicality
- Contrast pockets and trim for a more contemporary finish
- HI VISIBILITY DAY ONLY - 4602.1:2011 High-Visibility Safety Garment Construction Class D
