

JOH923 JOHN DEERE MEN HI-VIS WORK SHIRT

Maximum Comfort. Full Compliance. Built for the Job. Designed for teams working in demanding environments, this rugged cooling shirt delivers a high-performance, compliant uniform solution without sacrificing comfort. Ideal for dealership yards, service teams, and on-site roles, it's built to handle long days in tough conditions.

Constructed from breathable cotton ripstop with added stretch and ventilation, it keeps staff cool while maintaining durability where it matters most. The segmented reflective tape enhances movement and comfort, making it a step up from traditional hi-vis shirts.

This is workwear done properly - practical, durable, and designed to support your team all day long.

Features:

- John Deere logo embroidery on front
- Official certificate of authenticity hang tag
- 100% cotton ripstop fabric (145 GSM) – lightweight with enhanced tear resistance
- Mesh venting under arms, back, and side seams for increased airflow
- Mechanical stretch for improved movement and flexibility
- Segmented reflective tape for improved comfort, movement, and breathability
- Two chest pockets with pen partition for functionality
- Reinforced at key stress points with bar tacks for durability
- HI VISIBILITY DAY NIGHT - 4602.1:2011 High-Visibility Safety Garment Construction Class D/N
- UPF 50+ protection for outdoor work
- Easy-care fabric suited to daily wear and washing

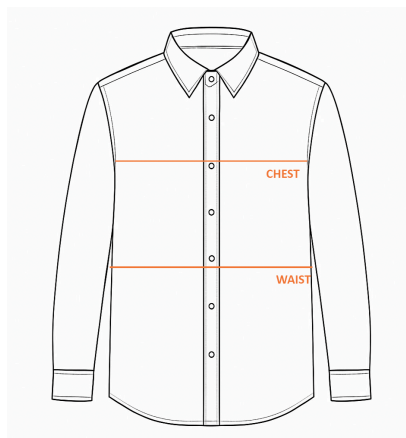

Decoration:

John Deere Contemporary logo embroidered.
