

JOH953 JOHN DEERE SANDY WORK SHIRT BY RB SELLARS

Built for everyday field and dealership wear, the John Deere Sandy Mid-Weight Work Shirt delivers durability, comfort and a clean, professional appearance in a women's-specific fit.

Made from 100% Australian cotton twill, it offers breathable wear with UPF 50+ sun protection, making it suitable for long days outdoors or on site. The half-button placket allows for easy wear, while functional tailoring including back tucks and a longer back tail supports ease of movement throughout the workday. Reinforced stitching, adjustable cuffs and functional chest pockets with pen slip ensure the shirt performs reliably across service, field and operational roles.

Designed specifically for women without compromising durability, the Sandy Work Shirt is a dependable uniform option for John Deere teams requiring consistent, hard-wearing apparel.

Features:

- John Deere logo embroidery on front
- Official certificate of authenticity hang tag
- 100% Australian cotton twill fabric
- Mid-weight long-sleeve work shirt construction
